Skate Canada: Alberta-NWT/Nunavut Board of Directors

## Overview of the Director Coaching Position

On May 6, 2017, the membership of Skate Canada: Alberta-NWT/Nunavut (Section) approved new Section Bylaws. With the approval of the new Bylaws, comes a new governance change to the Section where the Board of Directors is now functioning as a Policy Board instead of a Management/Operational Board. With these changes, the composition of the Section Board was restructured and redefined.

In past years, the Section Coaching Representative was elected from amongst the Section Coaches to represent the coaches on the Board and to lead the Coaching Committee. With the approval of the new Bylaws, the Coaching Representative is now an appointed position to lead the Coaching Operational Committee. The Section Board now has a position called Director Coaching. The Director Coaching will be elected from amongst the Section registered coaches to ensure a minimum of one coaching member is represented on the Section Board.

As a Director on the Board, the Director Coaching participates in the overall policy making and strategic planning direction of the Section.

The 2016-2018 term for the Director Coaching (Section Coaching Representative) is now vacant, as Carla Stoltz was appointed to lead the Coaching Operational Committee. As a casual vacancy, this position may now be filled by appointment by the Section Board of Directors to complete the term.
