Registration Details:

1. Proof of age will be required to register for events with age restrictions. Competitors in age restricted categories may be required to show proof of age at a competition, and should carry their birth certificate with them to each competition.
2. Any skater entered in an age-restricted category, for which they are not qualified, shall be disqualified. The skater will not be permitted to change categories after the designated change cut-off date as indicated in the announcement. Entry fees shall not be refunded after the registration deadline.
3. Registration deadlines shall be set by the host committee and the Technical Representative. Late entries may be accepted at the discretion of the technical representative in consultation with the host competition chair (should there be the availability of resources to allow for a late entry). Double the entry fee shall apply to all late entries. The allowance of late entries will be indicated in the announcement.
4. Registration in a category one level up is permitted in non-qualifying events, *except the STARSkate Introductory Interpretive. All skaters registering for the Introductory Interpretive event must have passed the Introductory Interpretive Test.*

Competitive Skaters and STARSkate Competition Event Eligibility:

Skaters registered to compete in any event at the Novice level or higher at a Sectional or Sectional qualifying competition do not qualify to compete in STARSkate events in any category at any level.

Skaters registered to compete in the Juvenile and Pre-Novice level at a Sectional or Sectional qualifying competition may register to compete in event categories at the STARSkate level as per the chart below.

NOTE: STARSkate events include freeskate and interpretive singles events only. Competitive skaters may enter recreational events (ie: team events, interpretive couples). All other skaters, including Synchronized skaters, are classified as STARSkate athletes and are eligible to compete at STARSkate competitions

Each team shall be allowed one (1) minute of warm up on the competition ice surface immediately prior to the performance (all categories). A team must not take more than thirty (30) seconds to enter the ice prior to the warm up (this time will begin from the moment the first skater enters the ice surface) and thirty (30) seconds to exit the ice after the program has ended. No music will be played.

Music

1. Music registration

- a. Each skater or team shall register ALL music at the music registration desk.
- b. Each skater or team shall register 2 copies of each program (2 CD's). Coaches/skaters are recommended to carry a backup CD and/or iPod or similar device.

2. Labeling

Skaters or Team's first and last name(s), category name, total music time (not skating time) and home club shall be clearly printed:

- a. Identify the CD by writing on the front of the CD using a permanent marker.
- b. DO NOT write on the recorded side of CD
- c. Label the back of the CD case. Do not apply stick on labels to the CD.

3. Recording Specifications

- a. Only one program (using one track only) shall be recorded on each CD.
- b. Music shall be recorded on the CD not less than .25 second and not more than .5 second after the PLAY button is pressed on the CD player.

Scheduling

When scheduling, every attempt will be made to avoid conflicts. Should conflicts be unavoidable (in non-qualifying events), there will be no revisions made to the schedule. It is the responsibility of the skater to notify the host committee of a conflict, and the skater will be required to choose the category he/she will skate. If notified in advance of the competition (by the change deadline as indicated in the announcement), the skater will be given a full refund.
