

Marilyn Chidlow Volunteer Award

Marilyn Chidlow is a Ponoka native who has been very involved in every level of skating volunteerism. Her heart has always been with grassroots skating, and the Section has been the beneficiary of Marilyn's talent and commitment for several decades. It is the Section's great honor to be able to name this award after such a fine individual.

In support of our grassroots volunteers who work diligently and are dedicated to the success of the Section's Clubs/Skating Schools, the Section would like to recognize one (1) dedicated volunteer *in each Club/Skating School* per year.
