

Mannville Momentum

CanSkate Element
Event 2019

Saturday March 9th 2019

Mannville Recreational Center 5202 52 Ave.

Mannville, AB

Hosted by Mannville Skating Club

Skate Canada: Alberta-NWT/Nunavut Sanction #9823

The purpose of this Event is to provide skaters with the opportunity to showcase their skills in a fun and interactive environment. In support of Skate Canada's on-going implementation of the Long-Term Athlete Development Model, the CanSkate Element Event has been formatted to recognize the philosophies of the Learn to Skate stage. This Club level event ideally takes place after a 10-week CanSkate session so that skaters have had the chance to learn all the skills on their current stage. The focus of the Event is on individual skill improvement and therefore performances are not ranked.

Category Specifications

Results will be tabulated for each individual separately. Skaters do not compete against each other for a ranking since awards are based on performance standards alone.

GENERAL INFORMATION

1. **THESE EVENTS ARE NOT BEING ASSESSED BY ACCREDITED EVALUATORS**

2. **CATEGORIES:**

The following Categories are to be held:

| Categories and Entry Fee | | |
|--|----------------------------|----------------------------------|

3. **CLOSING DATE OF ENTRIES:**

All entries must be received no later than **Friday, February 22nd, 2019** Skating times will be emailed to the club contact indicated on the Entry Form. (1 contact person per club please)
One Registration Form is required for each event entered. Skaters may skate up a level.

4. **ACCIDENTS:**

The Association and Committee of the Host Club undertake no responsibility for damages or injuries suffered by the skater. As a condition of and in consideration of their entries in these Events, all skaters and their parents or guardians shall be deemed to agree to assume all risks or injuries to the competitor's person and property resulting from, or caused by, or connected with the conduct and management of the events. An agreement must also be deemed to release any and all claims they may have against the officials, the Association, the Host Club, and their officers. Entries shall be accepted only in accordance with these conditions.

5. **REFUND OF ENTRY FEES:**

Entry fees shall be refunded only if the event is not held or if the entry is withdrawn before the date of close of entries (**Skate Canada Rule 7000-1.5(2)**).

6. **REGISTRATION:**

Skaters must be in their assigned dressing rooms 45 minutes before their event. Please check in at the registration desk a minimum of an hour prior to the start of your event.

Each CanSkate event will warm up on the ½ of the ice surface on which they will be evaluated and then clear the ice until it is their turn to perform. (Warm up time is 3 minutes)

7. **SKATING UP:** Skating up one level is allowed. However, participants must register in ONLY ONE level of the same category

8. **CANCELLATION OF EVENTS:** The host club reserves the right to cancel events or limit the number of entries due to time constraints or ice availability.

9. **AWARDS:** It is the responsibility of any skater receiving a medal to wear their skates and skating attire for the medal presentation. Medals will be presented immediately after events in the designated area.

10. **ENTRY LIMITS:** The club reserves the right to limit registrations/skater entries. Registrations will be accepted as received **(on a First come first serve basis)**.

STANDARDS OF PERFORMANCE

The desired performance standard for each Element is defined by three levels: Gold, Silver and Bronze. Each performance level consists of three features. To achieve a Bronze, Silver or Gold award level on any Element, the skater must demonstrate the first (bolded) feature at or above that level and they must demonstrate at least one other feature of the Element at or above the award level. When at least a Bronze level is not achieved for an element, the skater is awarded a "Merit" level. Performance standards are measured in proportion to the skater's age, size, and physical strength. Example: A smaller 6-year old skater and a taller 8-year old skater may each receive "Excellent" for the speed demonstrated in an Element even though the 8-year old performed the skill at a much faster speed.

CONDUCT OF THE EVENT

Warm-up groups:

Skaters will complete the competition in warm-up groups of no more than six skaters. The skating order within each warm-up will be the order in which each skater will complete the elements.

Warm-up Time:

Each group is awarded a three-minute warm-up at the beginning of their flight.

Execution of each Element:

Within each warm-up group, skaters execute one attempt at each Element. Skaters will be called over to the test ice surface one at a time to demonstrate each of their elements. Each warm-up group of competitors must complete all Elements of the stage before the next warmup group can begin.

Progression through the Event:

After each skater has completed their Elements, they are to leave the ice surface.

Music:

There will be music during the warm up portion of the Elements

Event Schedule:

Any two warm-up groups can compete at the same time with different judging panels. Skaters are to be at the arena 45 minutes prior to their scheduled skate time.

Results Calculation:

For each category, the overall performance award given is the total of the individual Element. Award levels defined as follows:

GOLD:

At least two Elements at the Gold level and no Element lower than a Silver

SILVER:

At least two Elements at the Silver level and no Element lower than a Bronze

BRONZE:

At least two Elements at the Bronze level

MERIT:

Majority of the Elements at the Merit level

******Awards will be presented after each flight in the designated area. ******
