Coaches must notify the Technical Representative if your team is practicing or competing with fewer than your regular number of skaters (due to illness or injury) to avoid penalties to elements in your program(s). If a skater becomes ill or injured in the dressing room immediately prior to taking the ice, the coach must notify the Ice Level Referee.

Coaches must notify the Technical Representative if your team is practicing or competing with fewer than your regular number of skaters (due to illness or injury) to avoid penalties to elements in your program(s). If a skater becomes ill or injured in the dressing room immediately prior to taking the ice, the coach must notify the Ice Level Referee.
