### Pattern Dance Type Step Sequence (PSt)

| Questions   | Answers   | Comments |
|---|---|----------|
| For the PSt in the Senior Rhythm Dance<br>season 2019-2020, if a difficult turn (e.g<br>Twizzle) considered for level begins on the<br>short axis (middle of the rink) at the end of<br>the PSt and is completed after passing the<br>short axis, is that difficult turn considered for<br>the level? | Yes. If the difficult turn is started before or<br>on the short axis (middle of the rink), it is<br>still considered for level. |          |

### **Tea-Time Foxtrot (TTF)**

| Questions  | Answers   | Comments |
|--|---|----------|
| TTF pattern – When the couple finishes the<br>last steps of the 2TTF past the starting point<br>of the dance, is this a pattern violation<br>(negative feature) for the GOE? | No. This is an optional pattern dance and it<br>is not required to start and finish the dance<br>at the same place in the rink if one<br>sequence is performed. |          |

#### Set of Twizzles

| Questions   | Answers   | Comments |
|---|---|----------|
| Additional Features, Group A – Set of<br>Twizzles: What is accepted for the features<br>which include the word "clasped"? | "Clasped" can be the hands touching OR holding. |          |
