

Evaluator and Coach Assessor ‘Thank You’ Guidelines for Assessments

Recognizing the time provided by an Evaluator or Coach Assessor involved in conducting STAR 6 - Gold Assessments is a thoughtful gesture by the host club.

Please reference this guideline when determining how an Evaluator or Coach Assessor is to be recognized.

- Coach Assessors at the STAR 1-5 level are expected to assess in their regularly scheduled lessons.
- Coach Assessors in STAR 6-Gold - Skills are expected to assess in their regularly scheduled lessons and charge their regular lesson fee (same as STAR 1-5) when they are assessing their own skaters.
- When assessing other skaters, the Coach Assessor in Skills would receive the same recognition as an Evaluator.
- It is suggested, when possible and budget permitting, that Coach Assessors and Evaluators receive a minimum \$25 per hour of assessment time in the form of a gift card to thank them for their volunteer service.
- Evaluators and Coach Assessors can submit expenses to the host club to cover mileage at the current Skate Canada rate along with any meals or accommodations if required. (Please ensure communication with the club prior to submitting any expenses)
