

## Star 1-4 Event Assessor Training Clinic

Saturday June 15, 2024

8am to 5pm

Lincolnshire 1 Room - Carriage House Inn & Suites, CALGARY

We are pleased to announce that we will be offering this one-day, in-person training clinic. Please read this information thoroughly to determine your readiness to take this training.

The following online trainings must be completed prior to attending the seminar:

- [Code of Ethics: Officials](#)
- [STAR 1-4 Event Assessor Knowledge Check](#)
- [STAR 1-5 Coach Assessor Training](#) or the [STAR 1-4 Event Assessor Pre-Course Technical Training](#)

These online trainings can be accessed through the [Skate Canada Membership Site](#) > eLearning. If you have any trouble accessing the site or finding the courses, please contact [info@skatecanada.ca](mailto:info@skatecanada.ca) or by phone at 1.888.747.2372.

Please allow yourself sufficient time to complete all pre-course work. These may take up to a total of **eight hours** to complete. Progress is saved, however, so you don't have to finish all in one sitting.

**Participants must complete the pre-course trainings prior to Friday June 7.** A copy (screen capture or PDF) of your certificate of completion for the online training must be provided to the Section Office by emailing [lisa@skateabnwtun.ca](mailto:lisa@skateabnwtun.ca)

Registration for the clinic is open now and demand is high, so get your registration in as soon as possible. The deadline is **noon on Friday May 17, 2024**, or when capacity is reached.
