Health and Dental Plans

Traditional Plans

- A traditional individual plan offers comprehensive health & dental benefits at a budgeted monthly cost. Available to coaches, employees, board members and their families.
- There are 3 different plan designs to choose from, providing the flexibility people need when it comes to a health & dental plan.
- A guaranteed issue option is available, meaning no medical application is required, nor can anybody be denied or excluded with this option.
- There are optional add-ons or enhancements available if additional coverage is desired in a specific area.
- Traditional group benefit plans are available which include life and disability insurance. These types of plans are available to employers with 3 or more employees.
