# Central Region

Region Coaching Representative Candidate

## CANDIDATE OVERVIEW & RELEVANT EDUCATION, CAREER & VOLUNTEER EXPERIENCE

As a proud member of the Central Region, it would be my honor to be the Central Region Coaching Representative.

- I am currently in-training to attain my NCCP Provincial certification.
- I have volunteered for many skating events including Assessment Days, Regional and Provincial Competitions
- Volunteered at the 2019 Canada Winter Games held in Red Deer.
- I volunteer regularly for the Central Alberta Child Advocacy Center.

## HOW DO YOU FEEL YOU CAN CONTRIBUTE TO THE CENTRAL REGION COMMITTEE AND SECTION COACHING COMMITTEE:

I was born and raised in Red Deer and skated at the Red Deer club for 13 years. I truly feel that my history in this region and the closeness I feel to it will benefit me greatly. I am privileged to know a lot of the coaches in this area and am blessed to call them my friends. I want to support my fellow coaching colleges in assisting them to find answers or work through any coaching issues or problems.

In the simplest way put - I want to help my region by supporting the coaches in it. Thank you for your consideration.
