Health and Dental Plan

Traditional Plans

- A traditional individual plan offers comprehensive health & dental benefits at a budgeted monthly cost. Available to coaches, employees, board members, and their families.
- There are 3 different plan designs to choose from, providing the flexibility people need when it comes to a health & dental plan.
- A guaranteed issue option is available, meaning no medical application is required, nor can anybody be denied or excluded with this option
- There are optional add-ons or enhancements available if additional coverage is desired in a specific area.
- Traditional group benefit plans are available which include life and disability insurance. Available to employers with 3 or more employees.

Employee & Family Assistance Program & Medical Second Opinion

Coverage Available for:

- Coaches
- Employees & Board Members
- Spouses and dependent children of coaches, employees or board members
- Immediate and confidential access to a variety of programs and services to help with work and /or life issues before they become more serious.
- Services include, but are not limited to:
 - Short Term Counselling
 - Legal Advice
 - Financial Planning
 - Nutritional Counselling and much more
- Medical Second Opinion provides an independent review of diagnoses and treatment recommendations. These reviews are completed by medical professionals trained at some of the top medical institutions in the world.
