

# Skate AB | NT | NU Member Health & Wellness Program

## 1. Why has the Section put a program like this together?

- This gives the Association another way to bring value to its members.
- Provides members and their families with access to flexible benefit options at an affordable cost that they wouldn't necessarily be able to get on their own.

## 2. What are the coverages able to be offered within the program?

- Critical Illness Protection
- Health & Dental Plans
- Final Expenses
- Accidental Death & Dismemberment
- Employee & Family Assistance Program
- Medical Second Opinion
- Hospital Cash
- Life & Disability Insurance

Members have flexibility to choose which coverages they want. It is not mandatory that they take all the coverages listed above and may pick which is best for them.

## 3. Who can participate in the program?

- Coaches
- Club & Skating School Employees
- Club & Skating School Board Members
- Spouses and Dependent Children of Coaches, Employees, and Board Members

## 4. Program Highlights

- Provides added protection to members and their families both while participating in Skate Canada activities, and in every day life
- Coverages are guaranteed issue with no medical underwriting required
- Exclusive to existing members of Skate AB | NT | NU Section
- Simple and easy enrolment with convenient payment options

## 5. Next Steps

- Any member who is interested would need to contact our office and we would facilitate the process of enrolling them in the program.
- Members can contact us and request more information or a quote.
