

2023 – 2024

Star Series 2, Star Series 3, Star Series 4, and Combined Winter Invitational

Clarification of Star 5 & 7 Artistic Program Component Scores

December 8, 2023

At Star Series 1, two (2) program component scores were provided for the Star 5 & 7 Artistic programs – Presentation and Skating Skills. The composition score was not provided.

To maintain consistency in the scoring at all StarSkate Qualifying Competitions, two (2) program component scores (presentation & skating skills) will continue to be provided for the remainder StarSkate Championships qualifying competitions.

This will provide a consistent scoring tracking for all skaters in Star 5 & 7 Artistic as they compete in the StarSkate Championships qualifying competitions.

The following chart provides an overview of the program component scores being provided for Star Artistic programs:

Competition	Star 5 & 7 Artistic Program Components Being Scored	Star 9 & Gold Artistic Program Components Being Scored
Star Series 2, Star Series 3, Star Series 4 & Combined Winter Invitational	Presentation Skating Skills	Presentation Skating Skills Composition
