

Dance Partner Directory

AB | NT | NU

Purpose: The dance partner directory is created in an effort to assist Skate Canada: Alberta-NWT/Nunavut Clubs and Skating Schools with contact information for dance partners. The below directory does not reflect all potential dance partners and is only updated with the information that is provided to the Section office. For additional information regarding dance partners in your area, please contact your Local Region Representative or other clubs/skating schools in your area.

Dance Partner Updates: email info@skateabnwtunn.ca to update your contact information or to be added to the list.

Paid Dance Partners: are subject to the standards as stipulated in the Professional Coach Membership Policy and the associated procedure. Paid dance partners must be registered as Skate Canada coaches **in good standing** with a minimum Regional In Training coach status and may teach and partner skaters in preparation for and during dance assessments. It is the responsibility of the club/skating school that is securing the Dance Partner to request confirmation of their coaching status to ensure proper process is followed.
