Skate AB | NT | NU Sectional Championships

Qualifying Technical Element Scores

(2024-2025 Season)

The following minimum Free Program Technical Element Scores will be required for entry into the 2025 Skate AB | NT | NU Sectional Championships being held October 31 – November 3, 2024:

- Juvenile U10 Women – TES 9
- Juvenile U12 Women - TES 10
- Juvenile U14 Women - TES 11
- Pre-Novice Women - TES 17.5
- Novice Women - TES 22
- Junior Women - TES 27
- Senior Women - TES 32

Timeline for Achieving Scores

The Qualifying Technical Element Scores are to be achieved within the following time frame:

- November 2, 2023 – September 29, 2024
 - This includes from the 2024 Skate AB | NT | NU Sectional Championships (held Nov 2-5, 2023) through to the conclusion of the Skate AB | NT | NU Fall Competitive Invitational.
- Scores will be accepted from competitions outside of the AB/NT/NU Section within this timeframe.
- Scores will be accepted from Star categories provided that the category is considered below or equal to the category the skater is registering for at the Sectional Championships.
 - Star 5 and Star 6 scores would be equivalent to Juvenile
 - Star 8 and Star 10 scores would be equivalent to Pre-Novice
 - Gold scores would be equivalent to Novice-Senior
