### **About Us:**

The Cold Lake Figure Skating Club is one of the most popular rural clubs in the area. We are located 3 hours East of Edmonton and operate out of the Energy Centre. We average 100 skaters per season from StarSkate, CanSkate, Podium Pathway, Learn-To-Skate, PowerSkate and AdultSkate. We provide excellence in figure skating instruction, use team coaching to encourage a committed and fun environment, and provide ice access to all club members and guests at the lowest possible costs. Our skaters range from preschoolers to adults, beginner to elite levels. Managed under a professional business framework by a small staff and large group of volunteers, CLFSCs skating programs and coaches are 100% committed to helping our athletes reach above and beyond their potential, as well as creating a safe and fun environment.
