Changes to Juvenile U10 and Pre-Juvenile U11

The Skate AB | NT | NU Board of Directors has approved to remove the Juvenile U10 Men and Women Singles Categories and reinstate the Pre-Juvenile U11 Men and Women Singles Categories.

The first competition you will see this change is for the 2025 Sunsational Combined Invitational, being held April 18-20, 2025.

For clarity, the following **Podium Pathway** categories of Pre-Juvenile and Juvenile Singles will be offered **starting with Sunsational 2025**

- Pre-Juvenile U11 Men and Women
- Juvenile U12 Men and Women
- Juvenile U14 Men and Women

** Pre-Juvenile U13 is not being reinstated.

This change is being made to address a training gap in the categories for our skaters. Upon review of the Pre-Juvenile and Juvenile categories, it was identified that reinstating Pre-Juvenile U11 would best support our skaters along their training pathway.
