Cynthia Ullmark – Professional Inductee

Cynthia Ullmark is a distinguished figure skating coach whose career has profoundly impacted the sport in Canada. She has guided numerous skaters to the highest levels of competition, including national and international stages. Her athletes, such as Linda Flockewich, Shannon Allison, Norman Proft, Ravi Walia, Twana Rose, Alicia Checkley, and Canadian Champion Susan Humphreys-St. Martin, have achieved significant success under her mentorship. Additionally, she coached National Silver Medalist Michelle Currie and has had countless skaters compete internationally.

Cynthia holds a Bachelor's Degree in Art & Science and is a certified Level 4 Coach. Her commitment to developing well-rounded athletes has been evident throughout her career, with many of her former students becoming influential figures in the sport. Ravi Walia, coach of World Champion and Olympic Bronze Medalist Kaetlyn Osmond, exemplifies the lasting impact of her mentorship. Cynthia's involvement in athlete development committees and coaching programs reflects her dedication to fostering excellence and personal growth in the figure skating community.

Cynthia's humility is evident in her reluctance to disclose the numerous coaching awards she has received over the years. Instead of displaying trophies or medals, her home is adorned with photographs of her former students, celebrating their personal milestones and achievements outside the rink. These images reflect the deep, lasting relationships she has built and her influence on their lives.

Cynthia's ability to inspire both athletic and personal success makes her a deserving nominee for the Skate AB | NT | NU Hall of Fame, embodying the true spirit of coaching excellence.
