**Running for the position of:** Director (2-year term)

**Residence:** Calgary, Alberta

---

### Relevant Education, Career and Volunteer and Skating Experience

**Education:** Bachelor in Applied Science (Mechanical Engineering)

**Career:** As a Professional Engineer, I am currently employed with Imperial Oil Limited as an Operations Supervisor at the Cold Lake site, where I lead front-line teams responsible for the safe and efficient operation of upstream oil production facilities. My professional background includes a range of progressive roles focused on mechanical systems, facility reliability, and project execution with both Imperial Oil and Syncrude Canada Ltd. This experience has provided me with a strong foundation in leadership, cross-functional collaboration, and continuous improvement within complex, high-performance environments.

**Skating Experiences:** I discovered my passion for figure skating as an adult and have been actively involved in the sport for the past three years. I currently skate with the Norlight Figure Skating Club in Cold Lake, where I continue to train and participate in Skate Canada programming. My experience as an adult skater has given me a unique perspective on the sport and a strong appreciation for the inclusive and lifelong opportunities that skating offers.

**Volunteering:** I actively volunteer within the skating community in a variety of roles. Since 2024, I have served on the Board of Directors for the Alberta Figure Skating Foundation, where I contribute to initiatives that promote athlete development and recognize excellence in the sport. From 2022 to 2024, I was actively involved with the Airdrie Skating Club Board of Directors, serving as both Vice President and Director, where I helped guide club operations and strategic goals.

In addition, I volunteer as an Event Tech with Skate AB | NT | NU, managing music and sound at events across the province - a role that allows me to combine technical expertise with my passion for the sport. I also enjoy contributing to Local Organizing Committees and have had the opportunity to volunteer at several national and international Skate Canada events, helping create welcoming, high-quality experiences for athletes, officials, and spectators alike.

## 2025 Election Candidate Bio

### Experience Relevant to the Skate AB | NT | NU Board of Directors

I believe I would bring a valuable and distinct perspective to the Skate Canada AB | NT | NU Board of Directors. As a South Asian, male, adult skater, I represent a unique and often underrepresented voice in figure skating. My lived experience has given me a deep appreciation for inclusive programming and the importance of creating space for individuals of all ages, backgrounds, and identities within the sport.

My engagement with the skating community has extended beyond personal participation. Through consistent volunteer involvement at the club, sectional, national, and international levels, I have developed a well-rounded understanding of the challenges and opportunities facing our members. My previous board experience has equipped me with an appreciation for effective governance, strategic planning, and the importance of building strong relationships between stakeholders.

Professionally, I bring a disciplined, analytical approach to problem-solving, informed by my background in engineering and leadership roles in complex operational environments. I believe this complements the board's mandate to provide thoughtful oversight, sound decision-making, and strategic direction.

I am deeply committed to supporting the continued growth and sustainability of figure skating across the region. I view this opportunity as a way to give back to a sport that has become a meaningful part of my life, and to help ensure it remains welcoming, diverse, and vibrant for generations to come.
