THIS ANNOUNCEMENT IS SUBJECT TO CHANGE

Any rules or communications published by the ISU after the date of posting may have an impact on the Sectional announcement.

PURPOSE OF SECTIONALS

Sectionals identify the top skaters in each province for advancement to the next round of qualifying events ultimately leading to the Canadian Figure Skating Championships. Each Sectionals event is the property of Skate Canada and may be sponsored locally in accordance with Skate Canada's Marketing Guidelines. The planning and execution of each Sectional Championship is delegated to the Section and/or its host committee with support from Skate Canada nationally, and the event is under the technical supervision of a Technical Representative.

GENERAL INFORMATION

The Skate AB|NT|NU Sectionals will be conducted in accordance with the Skate Canada Qualifying Competition Handbook and the CPC Regulations for specific rules governing qualifying events and events run in the CPC System. Discipline specific pre-event technical packages, ISU Communications and clarifications should also be referred to in preparation for the upcoming season. Rules governing Sectional Championships also apply to any sub-sectional or other sectional elimination rounds unless otherwise stated in this announcement. If there are fewer entries than the normal quota allotted to each section in any Sectional competition, the Section may elect to cancel the competition and may approve the entry of the relevant competitors to the Skate Canada Challenge competition of the same category (if applicable).
