

2026-2027 StarSkate & Adult Championships Qualifying Process

Posted: September 18, 2026

The StarSkate & Adult Championships Qualifying Process and structure as outlined in this document, applies to the StarSkate & Adult Championships categories only (STAR 5-Gold/Adult/Special Olympics).

Qualifying Categories

1. The following categories are required to follow the qualifying process for the StarSkate & Adult Championships:
 - STAR 7, 9, Gold Short Program (men & women) **NEW Gold Short**
 - STAR 5, 6, 8, 10, Gold Freeskate (men & women)
 - STAR 5, 7, 9, Gold Artistic (men & women)
 - STAR 6 – Gold Solo Pattern Dance
 - **NEW for 2026-2027 Season:** STAR 6 Solo Free Dance, Gold Solo Free Dance, Open Solo Rhythm Dance *offered at Star Series 1 and 2 for all zones. Skaters will be eligible to register for them when registration opens regardless of their zone, however, will only be able to do one or the other competition, not both as per the StarSkate Championships Qualifying Process.
2. **Special Olympics and Adult categories** are offered at the StarSkate & Adult Championships; however, the Special Olympics and Adult skaters are not required to qualify through this process and may register for the Championships directly once registration opens.
3. **Qualify Per Category**
Short programs, Freeskates, Artistic programs, Solo Pattern Dances, and Solo Free/Rhythm Dances are each separate categories and qualification is considered separate for each of these categories.

Skaters are restricted to enter two (2) of the Star Series qualifying competitions, no matter how many categories you enter per competition.

Qualifying Process

Minimum Qualifying Requirement

STAR 5 – Gold short and freeskate programs, STAR Artistic skaters (men & women), STAR 6-Gold Solo Pattern Dance, and Solo Free/Rhythm Dance must enter a minimum of one (1) qualifying competition during the 2026-2027 season leading up to the StarSkate Championships.

Qualifying Competitions Are:

- Star Series #1 (Location: Calgary)
- Star Series #2 (Location: Camrose)
- Star Series #3 (Location: Grande Prairie)

- Star Series #4 (Location: Lethbridge)
- Star Territorials (Location: Yellowknife)

*Competitions and scores from out of Section are not eligible

Star Series #1-4 & Star Territorials Competitions Restriction of Entries

1. STAR 5-Gold/Adult/Special Olympics Skaters are permitted to enter a maximum of two (2) Star Series competitions per season.
2. Skaters who have registered and skated in the Star Series #1 (Calgary area) will not be permitted to register for Star Series #2 (Edmonton area) or vice versa. If a skater registers for the Star Series #1 and then withdraws, they are eligible to register for Star Series #2, as per the applicable registration deadlines.
3. The Combined Spring Invitational (Sunsational), Combined Summer Invitational (Wild Rose), Fall Invitational and Combined Winter Invitational are not included in the restricted number of competitions requirement. Skaters may enter the Spring, Summer, and Winter Combined Invitationals and the Fall Invitational with no restrictions and as space permits. Scores obtained at the Combined Invitational competitions/Fall Invitational do not count towards the skaters StarSkate Championships Qualifying Score.

Crossover Eligibility between Star and Podium Pathway

Skater Registered for the Sectional Championships

- For skaters who have registered into the Sectional Championships and wish to compete in a Star category as well, refer to the Crossover Chart for eligibility categories as posted on the Section website on the Competition Information page.

Star Skater Registers into Podium Pathway Category

- A Star skater can move to podium pathway at any of the 3 combined invitationals (spring/summer/winter) and Fall Invitational and it does not affect their qualification into the StarSkate Championships.

Qualifying Scores & Quota Numbers

1. The top 3 (three) qualifying Star skaters from each zone will qualify based on scores earned in each category.
2. The scores will be tabulated from each skater's entry into a Star Series/Star Territorials competition and not solely from the skater's home zone competition.
Example: A skater whose home zone is Grande Prairie in Zone 3, attends Star Series 1 & 4. The skaters highest score will be used and if the skater has one of the top 3 scores in their category, the skater will automatically qualify from zone 3 to the StarSkate Championships.

3. A qualified skater is to register in the StarSkate Championships based on the highest category they have qualified for as per the quota numbers.
4. The scores of each skater will be tracked and posted to the Skate AB | NT | NU website after each qualifying competition. If a skater competes in a second qualifying competition, then the skaters higher score will be used.
5. If the skater enters a qualifying competition and they are the sole entry (exhibition skate), if they choose not to skate an exhibition, their entry into the competition will still count towards their 1 minimum required qualifying competition.
6. Quota numbers will be annually reviewed by the Competition Committee and posted to the Section website in January each season.

Final Standings & StarSkate Championships Registration Process & Timelines

1. **Final Standings:** the Final Standings will be posted by February 23, 2027, at 12:00pm (noon) MT.
2. **Notification of Final Standings:** all skaters who competed in a Star Series competition will receive an email directing them to view the Final Standings list on the Skate AB | NT | NU website. The final standings will show a “Q” beside the skater’s names who have qualified for the StarSkate Championships.
3. **Registration for Championships:** Skaters who have qualified must register for the StarSkate Championships by Monday, March 1, 2027, at 12:00pm (noon) MT.
4. **Fill Process:** In the event that the determined number of skaters who qualify for a category do not register by the deadline date (March 1 at 12:00pm MT), the spot(s) will be filled per category with the next highest skaters scores in that category. Those skaters invited to fill spots will receive an email and then must register by Wednesday, March 3, 2027, at 12:00pm (noon) MT.
