STAR 2 & 3 Programs
All STAR categories must follow the Skate Canada 2026-2027 technical requirements; inclusive of the well-balanced program criteria as posted on the Skate Canada Members Info Centre at Competition Program Requirements https://info.skatecanada.ca. All categories will be assessed to standard.
*All program music must be emailed to info@figure8skating.ca prior to November 14, 2026.

Creative Improv 1

*Each skater must perform a program of their design with minimal preparation. Creative Improv tests the skater's ability to quickly interpret a piece of music and entertain the audience.

*Program content, rules, and event procedures are the same for all levels:

- Skaters will listen to the music twice on-ice during the warm-up period.
- Each flight will receive a different piece of music, and music will not be disclosed before the flight's warm-up.
- All skaters in each flight will perform to the same music selection, selected by the Figure 8 Skating Club
- All single jumps are permitted. Any jumps of higher rotation will be subject to an illegal element violation if included.
- Skaters will be categorized by age and level.
- Each program will be 30 seconds in length and will be performed on full ice.

STAR Team Elements Events:

Team Event Registration:

- All skaters who are to participate on a team are to register for the event. The coach/parent team representative is to then submit the team name and skaters to info@figure8skating.ca by November 7, 2026.
- STAR 1 skaters are welcome to participate on a STAR 2 team.
- All STAR team elements will be performed on the half ice surface. Teams are to be comprised of two to four skaters. Each skater will perform 1-2 elements in isolation. Skaters are encouraged to dress up in their theme as a team.
